

RULES GOVERNING EXPRESSIVE ACTIVITY AT 2ND & PCH

PCH Property, LLC dba 2ND & PCH is a private development devoted primarily to serving the commercial needs of persons who shop and dine within its borders. These Rules are adopted to allow and regulate Expressive Activity on 2ND & PCH property. Expressive Activity will be allowed on 2ND & PCH property only upon issuance by 2ND & PCH management of an Expressive Activity Permit and only in strict compliance with the permit and these Rules.

These Rules shall be applied consistently, equally and without exception to all Applicants and Permittees. Any person who violates these Rules will be subject to immediate removal from 2ND & PCH property and denial of future Applications for an Expressive Activity Permit, and may be subject to legal action. 2ND & PCH management's inadvertent failure to enforce one or more Rules does not constitute acquiescence or a waiver of these Rules.

Copies of these rules are available at the 2ND & PCH management office during the office's regular business hours and will be furnished in writing to all Applicants.

A. Definitions.

The following definitions shall apply for the purposes of these Rules, the Expressive Activity Application and the Expressive Activity Permit.

1. Applicant. "Applicant" shall mean any person or entity that applies for an Expressive Activity Permit.
2. Application. "Application" shall mean an Application for Permit to Engage Expressive Activity at 2ND & PCH, the form of which is attached to these Rules as Attachment A.
3. Designated Areas. "Designated Areas" shall mean those areas on the 2ND & PCH property designated by 2ND & PCH management as areas where Expressive Activity may occur pursuant to an Expressive Activity Permit. Designated Areas are selected with the objectives to allow the Permittee reasonable access to patrons, visitors, and employees of 2ND & PCH while avoiding disruption of 2ND & PCH operations and commercial and residential activities. The two (2) Designated Areas at which Expressive Activity will be allowed are shown on Attachment B.
4. Expressive Activity. "Expressive Activity" shall mean a constitutionally protected activity, the essence of which is the dissemination of ideas of a political, religious, or other non-commercial nature. "Expressive Activity" includes the distribution and displaying of literature, leaflets, petitions and other printed documents and materials, signature gathering, voter registration, and the expression of views, beliefs, or opinions. "Expressive Activity" does not include the solicitation or acceptance of funds, donations, or contributions, or the sale of any item or service, or the promotion or advertisement of any business, item or

service, all of which activities are not allowed.

5. Expressive Activity Permit. “Expressive Activity Permit” shall mean a 2ND & PCH Expressive Activity Permit issued pursuant to these Rules to conduct an Expressive Activity on 2ND & PCH property. Expressive Activity shall be allowed on 2ND & PCH property only as permitted pursuant to an Expressive Activity Permit.
6. Permittee. “Permittee” shall mean any person or entity to whom or which an Expressive Activity Permit has been issued. Whenever a “Permittee” is required to adhere to a standard or requirement or refrain from acting in a particular manner under these Rules, “Permittee” shall include each individual participant who engages in Expressive Activity under an Expressive Activity Permit.

B. Permit Application Procedures and Requirements.

1. A person may engage in Expressive Activity at 2ND & PCH only at the time and in the place and manner authorized pursuant to a duly-issued Expressive Activity Permit. No Expressive Activity shall be allowed except when permitted under an Expressive Activity Permit.
2. Anyone wishing to engage in an Expressive Activity on 2ND & PCH property may submit to 2ND & PCH management an Application for Permit to Engage in Expressive Activity at 2ND & PCH . To be accepted, the Application must be complete. The completed Application must be received by 2ND & PCH Management at least three (3) days, not including weekends and holidays, prior to the time that the Applicant requests the proposed Expressive Activity to begin. The Application may be received by delivery, facsimile, or United States Mail. To be considered complete, the Application form must be accompanied by: (a) all literature, leaflets, petitions, or other documents or materials proposed for dissemination or viewing; (b) the text or photographs of any signs proposed by the Applicant for display; and (c) the names of individuals who will participate in the proposed Expressive Activity on a particular day. If it is unknown at the time of the filing of the Application who will participate in the Expressive Activity on a particular day, the Applicant may satisfy this Rule by stating the names of individuals among whom the participants will be chosen on each particular day. 2ND & PCH management will take reasonable precautions to keep the names of individual participants confidential.
3. 2ND & PCH management will evaluate all completed Applications in order of receipt using the criteria set forth in these Rules.
4. Each Applicant whose Application has been approved by 2ND & PCH management will be so notified by telephone or email not less than twenty (20) hours in advance of the time of the proposed commencement of the Expressive Activity or not less than seven (7) days after the submittal of the Application, whichever occurs first.

5. A Permittee who fails to appear or fails to occupy a Designated Area during the approved date and set forth hours will be considered to have waived all rights and authority under the Expressive Activity Permit, and the permit will be deemed null and void.

C. Restrictions on Time That a Permittee May Engage in Expressive Activity.

In order to afford as many Applicants as possible the opportunity to engage in Expressive Activity and to avoid the perception that 2ND & PCH management shares the views of any particular Permittee, the following Rules will apply to when a Permittee may engage in Expressive Activity on 2ND & PCH property.

1. A Permittee may only occupy one Designated Area at any particular time.
2. 2ND & PCH management will not issue an Expressive Activity Permit to allow for a single Permittee to engage in Expressive Activity during consecutive Saturdays or consecutive Sundays, or on consecutive weekdays.
3. An Applicant may submit an Application to engage in Expressive Activity up to thirty (30) days in advance of the proposed date of the Expressive Activity. An Applicant may not engage in an Expressive Activity on 2ND & PCH property on more than five (5) days within any thirty (30) day period.
4. At any given time, a Permittee may possess no more than five (5) Expressive Activity Permits to engage in Expressive Activity on future dates. 2ND & PCH management will not issue an Expressive Activity Permit if the Permittee already possesses Expressive Activity Permits to engage in Expressive Activity on five (5) future dates.

D. Standards for Approval or Denial of Permit Application.

In evaluating a completed Application to determine whether to issue an Expressive Activity Permit, 2ND & PCH Management will apply the following objective criteria.

1. Whether the Applicant has completed the Application form and complied with all the procedures and requirements set forth in Section C (Permit Application Procedures and Requirements) of these Rules. 2ND & PCH management will deny issuance of an Expressive Activity Permit when the Applicant has failed to provide all of the information and make all of the representations and warranties requested in the Application.
2. Whether the planned activity is an Expressive Activity as defined in Section A (Definitions) of these Rules.
3. Whether the planned presentation of the proposed Expressive Activity, by its form, size, location or timing, threatens to: (a) interfere with the conduct of business or the customary uses of the property; (b) block the flow of traffic or

create a hazardous degree of congestion, or impede the movement of customers or tenants; or (c) block access to facilities or businesses.

4. Whether the planned activity is proposed to occur on a day determined by 2ND & PCH management to be a “peak traffic day,” when Expressive Activity is prohibited. “Peak traffic days” are listed on Attachment C of these Rules.
5. Whether the planned activity will be presented in a noisy, disorderly, or inflammatory manner or is confrontational to such a degree that it probably will create a disturbance, as opposed to being presented in a neat, orderly, and courteous manner; or is planned for a date and time when a group with competing views or incompatible political philosophies also has planned an Expressive Activity.
6. Whether the proposed Expressive Activity will (a) be highly confrontational and likely to create a disturbance; (b) include “fighting words,” group chants, obscenities, patently vulgar or gruesome content, inflammatory slogans, or ethnic, racial, religious or other slurs likely to provoke a disturbance; or (c) create noise of sufficient volume to impinge on the hearing and peace of the general public, as opposed to being heard only by those persons within a few feet of a Permittee.
7. The omission of insurance information requested in the Application or the failure to carry insurance upon request by 2ND & PCH management may be grounds for denial of the Application if management determines upon consideration of the criteria set forth in Section I (Liability Insurance) of these Rules that the proposed activity poses a risk of damage to persons or property.
8. Whether the Applicant has in the past violated the terms of an Expressive Activity Permit or these Rules. 2ND & PCH management shall deny issuance of an Expressive Activity Permit when management believes in good faith that the proposed Expressive Activity would be inconsistent with these Rules or that the Applicant has repeatedly violated these Rules in the past. An Applicant who has failed to appear or to occupy a Designated Area two or more times in a two-month period will not be issued an Expressive Activity permit for a period of six (5) months from the date of the failure to appear or occupy.

E. Standard for Participants in the Proposed Expressive Activity.

Only individuals whose names are specified on the Expressive Activity Permit may engage in Expressive Activity on 2ND & PCH property. 2ND & PCH management may deny an Application based upon the proposed participation in an Expressive Activity by an individual who 2ND & PCH management reasonably believes has violated these Rules. The maximum number of individuals who may engage in an Expressive Activity in a Designated Area at any given time is three (3), and each such individual must wear shoes, a shirt and other appropriate clothing.

F. Standards of Conduct for Expressive Activity.

2ND & PCH management has adopted the following standards of conduct for Expressive Activity at 2ND & PCH in addition to the standards and requirements set forth elsewhere in these Rules.

1. No Permittee may impede, obstruct, interfere with or block any person or entryway, or the free flow of pedestrian or vehicular traffic. This prohibition is not to be construed to prevent a Permittee from approaching or speaking with customers or tenants within the Designated Area.
2. No Permittee may create noise of sufficient volume to impinge upon the hearing and peace of the general public, as opposed to noise heard only by those persons within a few feet of a Permittee.
3. No Permittee may damage, deface or remove any property at 2ND & PCH .
4. No Permittee may represent in any way that 2ND & PCH , its owners, employees, tenants or representatives support or do not support any view held by the Permittee.
5. No Permittee may engage in Expressive Activity outside of the Designated Area specified in the Expressive Activity Permit.
6. Each Permittee shall be responsible to ensure that the Designated Area and the surrounding areas remain clean and neat and free of litter and debris. Each Permittee shall be responsible for cleaning up discarded literature, leaflets, petitions, or other documents or materials disseminated by Permittee.
7. Permittees may use no more than one (1) table and table cloth and three (3) chairs in a Designated Area, and no other furniture.
8. No Permittee may violate these Rules or any law, statute, ordinance or regulation of any governmental entity.

G. Display Regulations.

Any posters, placards, signs or displays proposed for use by a Permittee must be approved by 2ND & PCH management in advance of the commencement of an Expressive Activity. Posters, placards, signs or displays are limited to three (3) in number and must remain within six (6) feet of an individual Permittee and wholly within the Designated Area. To be approved by management, each poster, placard, sign or display must be two dimensional and no larger than 24 x 36 inches and must:

1. be neat in appearance;
2. not interfere or complete with business displays or logos; and

3. not contain any “fighting words,” obscenities, patently vulgar or gruesome displays or inflammatory slogans, ethnic, racial, religious or other slurs or pictures likely to provoke a disturbance.

Permittees are prohibited from using any lights, laser pointers, loudspeakers, bull horns or other mechanical or electrical equipment on 2ND & PCH property. Musical instruments or sound devices may be used only so long as the following criteria is met.

1. They do not create noise of sufficient volume to impinge on the hearing and peace of the general public, as opposed to being heard only by those persons within a few feet of a Permittee.
2. They are not used in a highly confrontational manner likely to create a disturbance.
3. They are not used in a manner that is highly inflammatory, which means that the proposed sound may not contain any “fighting words,” obscenities, patently vulgar or gruesome content or inflammatory slogans, ethnic, racial, religious or other slurs likely to provoke a disturbance.

H. Liability Insurance.

2ND & PCH management reserves the right to require an Applicant to produce evidence of liability insurance covering personal injury and property damage or loss arising out of the proposed Expressive Activity when management determines that the proposed Expressive Activity poses a risk of injury or damage to persons or property. The determination to require evidence of insurance will be made after considering the following objective criteria.

1. Whether there is a prior history of injury to persons or property when this Applicant engages in Expressive Activity.
2. Whether there is a prior history of injury to persons or property when individuals or groups similar to this Applicant engages in Expressive Activity.
3. The historical scope of the risk and whether it exceeds minimal or inconsequential risk.
4. Whether the risk of the proposed Expressive Activity can be lessened or eliminated by adjusting the time, date, place or planned manner of expression.
5. If the risk can be lessened or eliminated, whether the Applicant is willing to make such adjustments.

I. Security Deposit

If, upon consideration of the objective criteria set forth in Section I (Liability Insurance) of these Rules, 2ND & PCH management determines that the proposed Expressive

Activity poses a risk of injury or damage to persons or property but that such risk is insufficient to require an Applicant or Permittee to maintain liability insurance, 2ND & PCH management may require a deposit of Two Hundred Fifty Dollars (\$250). The deposit may be applied to the reasonable cost of repairing any damage and/or the cost of cleaning up litter and debris, including but not limited to, leaflets or other printed material distributed by the Permittee. In the event that repair or clean-up costs exceed the amount of the deposit, the Permittee shall, within ten (10) calendar days following receipt of a written request specifying the amount due, pay the full cost of the repair or clean-up. Any portion of the deposit not used to clean up litter or debris or repair damage shall be refunded to the Permittee.
